

Application for Admission to
NSF-Funded IGERT Training Program:
Sequential Decision Making as a Unifying Theme in Cognitive Science
Cognitive Science Program, Michigan State University

Students interested in the IGERT training program should apply to one of the participating departmental Ph.D. programs and submit this form to the Cognitive Science Program. Students are strongly encouraged to contact one of the faculty listed below before applying. For full details see www.cogsci.msu.edu/IGERT/.

IGERT Trainees in good standing receive five (5) years of graduate assistantship funding (including summer), full tuition waiver, health benefits, and eligibility for travel and research funding.

Core Faculty, Department, Main Research Interests, Web site
(Please check the sponsor(s) you are interested in working with):

- Joyce Chai (Computer Science and Engineering: natural language processing, human-computer interaction)
<http://www.cse.msu.edu/~jchai/>
- Fred C. Dyer (Zoology: mechanisms and evolution of complex behavior in insects)
<http://www.msu.edu/user/fcdyer/>
- Fernanda Ferreira (Psychology/Linguistics: language comprehension and production)
<http://eyelab.msu.edu/people/ferreira/fernanda.html>
- Thomas Getty (Zoology: information and uncertainty in behavioral ecology)
<http://www.msu.edu/user/getty/index.htm>
- John Hale (Linguistics: computational linguistics)
<http://www.msu.edu/%7Elinglang/linguistics/hale.htm>
- John M. Henderson (Psychology: high-level vision and visual cognition, human gaze control)
<http://eyelab.msu.edu/people/henderson/john.html>

IGERT Applicants must also submit departmental and university applications. Please indicate the status of the departmental application:

Department to which application materials have been sent: _____

Applying as new student Already enrolled at Michigan State University

Requested Semester of Admission: Fall 2005 Spring 2006

Applicant Information:

1. Name	
2. Permanent Address	Telephone:
	E-mail Address:

3. Local Address		Telephone:
		E-mail Address:
4. Undergraduate Education:		
Institution	Degree(s) Earned	Major Year Earned
5. Graduate Education (specifically in cognitive science, computer science, psychology, zoology/biology, linguistics, philosophy, or related area):		
6. Undergraduate GPA:	7. GPA in Major:	9. Graduate Grade Point Average:
8. GPA last 2 years:		10. Thesis Title:
11. Test Scores:		
Graduate Record Exam: _____ Verbal _____ Quantitative _____ Analytical _____ Miller's Analogies _____		
TOEFL _____ Other (please specify): _____		
12: List names of referees who wrote letter for the departmental/university application.		
13. List name of advisor (current Michigan State University students only):		

14. Attach (typewritten) on a separate page a statement (200-250 words) describing the nature of your interest in the IGERT Training Program in Cognitive Science.

Current Michigan State University Students Only:

Attach a copy of your approved master's level plan of study and/or your approved doctoral guidance committee plan of study.
