

Application for Admission to the
Interdepartmental Graduate Specialization in Cognitive Science
Cognitive Science Program at Michigan State University

Students interested in the **Interdepartmental Graduate Specialization in Cognitive Science** should apply to one of the participating departmental Ph.D. programs (www.cogsci.msu.edu/departments.html) and simultaneously submit this form and accompanying documents to the Cognitive Science Program. Students currently enrolled in a participating department at MSU and interested in adding the Specialization should submit this form and accompanying documentation to the Cognitive Science Program. (See the bottom of the second page for more details on how to submit your application.)
